Disclaimer : Do Not Take all of this Seriously Full of Gaffs
and I do NOT Approve of or Condone Kyle Odom's Irrational Behavior.
My life is already screwed by Organized Stalking now I am a LOLCOW,
A DUD, A Failure, A Nobody, My Life has no Purpose, I am Done. ;
Newsflash to anybody else: Voyeurism is a Mental Illness and it
is Illegal to be paid in Gift Cards to Stalk and Harass Someone. ;
POST TWO THOUSAND COINTELPRO FBI PATRIOT ACT STASI DECOMPOSITION ... ;
AKA Liberals, Commies, Antifa, BLM, Social Justice Warriors, Greenies ;
Climate Change Activists, Progressives, are all Organized Stalkers, so
is LGBTQP, Marxists, Anyone Brainwashed by The Mainstream Media ... ;
My New Psychiatrist says in Reviews "Worst Psychiatrist I've ever encountered". ;
This COINTELPRO FBI Organized Stalking Patriot Act is All By Design Period. ;
My previous Psychiatrist was LGBTQP and a Dyke and Over-medicated a patient
Harming the patients liver, was bipolar also, was also a Perp Stalker,
was also part of a Quack Industry called Psychiatry not Neurology ... ;
You see Neurology is a real Science and Psychiatry Does No Science ... ;
Also People who believe that Global Warming is Man Made and so on ... ;
You can identify them, because they believe the Mask and Vaccine Works. ;
Zersetzung is nothing new, it is now COINTELPRO and The Patriot Act. ;
Even someone I knew in The Actual CIA got me set up to be Targeted. ;
The New Patriot Act and COINTELPROFBI is about Organized Stalking where
People are Stalked and Harassed all hours of the day and with Technology
also such as Voice To Skull and Directed Energy Weapons and there hardly
any way to get info on it, because Freemasons Censor the World Wide Web. ;
Psychiatrist are Not Background Checked well enough and many of them
are Homosexuals or Sex Offenders, Regular Doctors get a more thorough
background check and have better credentials when it comes to Science,
Neurology is a real Science, Psychiatry is Quackery, Not a Science. ;
Sure the Sheriff's Dept is Corrupted by Freemasons they also
Traffic Drugs such as Steroids to The General POP and Gangs. ;
The most open Part of The World Wide Web is Home Servers
Port Forwarded to an Internet Service Provider, such as a
random Playstation Server running Fedora Linux ... ;
The most closed Part of The World Wide Web is a Restrar
Website that is index on Regular Google or DuckDuckGo. ;
The Internet is not the World Wide Web, it uses Peer2Peer,
Random Port Numbers, Random Routing Methods, Different Sunetting,
Tor, I2P, Freenet, The Dark Web, The Invisible Web, etc ... ;
The surface web is the stuff on any other search engine ... ;
The Most R**arded Person on Earth uses Arco Arch Linux, Lenovo
M93P, CPU at low Power Mode Single Core, BIOS Password, Luks
Drive Encryption Password, Ublock Origin, Privacy Badger, Decentraleyes,
Https Everywhere, RYTD, Canvas Blocker, on Brave Tor Firefox,
SMA0140faba44f444665aDNS20867222222, 7zip as AES, GUFW PUBLIC,

Power Always ON, No Screen Saver, AOC Monitor, Verbatim Mouse,
Anker USB Hub, External Samsung T7 SSD 3 R0FS as Tune2fs ... ;
chmod -R 777, yes >, fdisk -l, Tune2fs -0 read-only ssdext4 ... ;
No Hibernate Swap, Eight Gigabytes of Ram, Crappy Intel Default
for the GPU, Does not tell difference from Sixty and 120 ... ;
515dexter is his universal pin, is Gang Stalked by Freemasons in
The Sheriff's Department as a Wrong Thinker Patriot Act ... ;
A LOLCOW, A DUD, A Failure at everything in life, believes Masks
and Vaccines Do Not Work and Global Warming is a Hoax ... ;
Uses Alien Chars, AES as 7Z, One Time Pads all the Time ... ;
As For the Press The Internet not The World Wide Web is The
Most Free and open part of it as it has Tor and Tails OS ... ;
It has random protocols such as Secure File Transfer or SSH ... ;
Next to that we have Libraries as you can get Two Passports as
a Goyim and Go To Libraries that have more information ... ;
Next to that we had Public Access before the Internet ... ;
Then Next to that Fact Sheet Five and Shortwave Radio ... ;
Television, Radio, WWW, in General are controlled by Six Jewish
Companies : GE, VIACOM, TIME WARNER, NEWSCORP, CBS, DISNEY ;
Because I am on a Patriot Act Watch List a Family Member kept
harassing me saying I hope that you die and other BS Nonsense,
I was told by Howard Herring to Ignore them, and that they are
Narcissists not to be engaged with at all in any way, also they
are fake patriots, they actually communists and marxists who believe
in Censoring the Press, They Are Anti First Amendment Period ... ;
Another Death Threat from a Lane A** Family Member Oh Well ... ;
When I connect to people they all say the same things also ... ;
He is an A** Kisser, I had to lock all of my stuff with American
Locks and Ammo Cans, because he uses comb picks to access peoples
stuff and gets paid in Gift cards to stalk and harass random people
as he is a Freemason and Part of the Sheriff's Department ... ;
Narcissism will lead to organized stalking ESP Psychiatry will too ... ;
International Jews Have Trillions of Dollars and Follow the Talmud,
They Have Six Travel Passports, They live in England and are known
as the Rothchild's as Ashkenazi Talmudic International Jews ... ;
As soon as I mentioned this he said Stop Recording, also Howard Herring
Gave me the advice for Flushyourmeds Anti Psychiatry and said finally
that they are Narcissists, Stalkers, Voyeurs, Do Not Engage with Clowns. ;
That is the best advice I got from a total stranger when recording. ;
I brought up Cannabis and said that Alcohol and Cigarettes are far
more damaging and dangerous, they were in the state of cognitive
dissonance, they are trumans in that way, also The Holocaust is a
Hoax, Hitler Got Germany out of a Banking Debt, Communism Marxism
are Jewish, Believe in the Bible or Go To Hell, Support Zionism or Die,
They believe in the Unpatriotic Patriot Act, and Foreign Wars for Iraq,
They believed in the Iraq War and Patriot Act during Bush so both
Democrats and Republicans are Paradigm and Global Warming is a Hoax,
Masks Do Not Work, Vaccines Do Not Work, Psych Drugs Do Not Work,

PCR Test is Bogus, Andrew Tate ran a Webcam HO Business, all of this sets them off in blind rage and they explode and scream at others, Voyeurism is a mental illness and these people are also LOLCOWS ... ; The Commentary Community has the Same Troons as these Goat People ... ; I call them Brainwashed Lemmings, #flushyourmedscom Anti Psychiatry. ; I am already getting death threats from my own family members ... ; All because I did not get vaccinated & do not believe in Global Warming. ; They are no different than some Furry Fetish T**d on the Internet. ; Social Media is the Biggest Waste of Time, so are other things ... ; I get that the Twelve Alien Races Started The God Myth and Kept Society Divided and Enslaved to Usurous Jewish Bankers Period ... ; Kyle Odom Manifesto PDF and The Globalist Book is The Talmud ... ; Experimental Remote Viewing Influencing is NOT SPECIAL it is YOUR Autonomic Nervous System Scribbles and Subconscious Tape Recorder ... ; FUN FACT : Weaving the World Wide Web - Tim Burners Lee At CERN invented the WWW and The CIA Made sure it would be a Wiretapp Method ... ; Subnet Masking Started After The Year 1984, Before IMPs and Mainframes ... ; Port Forwarding is Superior to a Domain Registrar, Because it will not shut you down for Gore Material or Holocaust Denial Material on your Fedora Server. ; Port Forward to a Home ISP 443 or 80 and Try it out yourself there is also that white BOX Internet NOMADS are talking about that is only Twenty a Month ... ; Richard Stallman Coined the Term POSIX and Streamlined GNU no one cares ... ; Linus Torvalds Made Linux so you can deploy many servers online ... ; What the Global Zionist Press or WWW and Search Engines Censor and Remove From the Index so you will not ever know about them in the first place : Believe in the Bible or Go To Hell, When Humans Die they become Telepathic Ghosts. Holocaust of Six Million Less Jews is a Hoax, Nami = Pharma Shills, Sixteen Countries. ; Hitler Got Germany out of a Banking Debt, Victors rewrote history. Zionism Controls The Press. I still wonder why Alex Jones Censors anyone who mentions
that term then insults them. I was in a congregation meetup,
yup, they censored me. They run the Freemason HOS at Bottom.
How could I be an Antisemite when I am referring to people with Six
Travel Passports, Trillions of Dollars, Free Energy, Big Mansions,
Private Schools that teach the other history, Private Islands, yet
they YouTube Censors it. Two Thumbs Up , Reply , Exactly ... ;
The Rothschild's just happen to be Ashkenazi Jewish and happen to
have Trillions of Dollars and all of the gold and thinking about
this in a Realistic Perspective, the middle class has no power over
anything, it is a waste of time to even bother, why should I even care,
I guess I will ignore the TV and Radio which is just Six Jew Companies,
also the enemy of my enemy is my friend, that is my last and final point ... ;

When I am referring to Globalism, I am NOT referring to
Jews in General, I am referring to Jew Only Country Clubbers,
Trillions of Dollars, Live in Big Mansions on Private Islands,
Have Six Travel Passports, raised in a Jew Only School, not
Vaccinated, Not on Fraudulent Pharma Drugs, went to a Jew only
school, are usually Cohen's aka Oral Suction, Live longer than
we do up to One Hundred and Fifty Years old, Have all the Gold,
They have a diet of Probiotics and fasting and we do not, they
know microwaves kill you, they do not own microwaves, they are
suppressing all medical cures and scientific advancements, they
run the Freemason HOS at the bottom, They run the Zionist Agenda,
They declared the NSDAP Flag a Hate Symbol when all it is is an
ancient sun wheel our ancestors used, They created the holocaust
myth when other Jews will even tell you that it is a Hoax, they

made Holocaust Denial Laws in Sixteen Different Countries Globally,
They run Hollywood and the Six Companies which tie to Reuters AND
The Associated Press, GE, VIACOM, TIME WARNER, NEWSCORP, CBS, DISNEY.
They have all the money and gold and more than Six Travel Passports,
those are the International Talmudic Jews I am referring to, and no
it is Not Antisemitic To Refer to Trillionaires with all the gold
such as the Rothschild's since they just happen to live in England
and just Happen to be Talmudic Ashkenazim Jews, no it is not Antisemitic
to Question or Deny the Holocaust and Law in Sixteen Countries prove
otherwise, Hanukkah is actually just an Anti European Holiday And
Communism was originally Jewish, Karl Marx had Jewish Parents, that is

To be the laughingstock of the world is one thing, as Mainstream Media is only six companies and all they do is put a spin in things as the Goy are only tuned in to gossip, rumors, and meaningless soap opera material, a tabloid, a zine, a rag-mag, a bs material based on six Jewish media companies, shock jock material such as controlled opposition fake truthers who cover and censor other people who actually use certain specific buzz words that are related to the common cause, and all you do is by into the gossip and rumors when the real people in power are not the middle manager politicians but Trillionaires who live in big mansions aka Talmudic International Zionist Jews, Communism always had Jewish root and origins and always was more problematic than any other system, Hitler was only a small thing funded by Jews, and Jews Funded both world wars as they were the ones Talmudic Jews to happen to have Trillions of dollars when Bill Gates had Billions at the time, and you brainwashed lemmings failed to realize that Humans in America ARE collateral to the debt instruments, Fiat Currency from the Federal Reserve is not money it is less valuable than a gold or silver coin, it is Ten percent on the dollar and Federal Reserve is no more Federal than Federal Express ... ; The people I am with are Truman's, who scapegoat the One-mans for Narcissistic gain and use psychiatry on the one-mans, this MK-ULTRA CIA Grid System, the people I am with microwave all their food, wear sunscreen, wear sun glasses, Eat Artificial Sweeteners, Avoid all real probiotics aka fermented foods, never fast and eat four meals a day, also they drink the fluids and never any real clean distilled water or at least snake juice, they spend all their time, not reading a damn book in their life, watching a television, using texting and streaming on a cell phone, never reading a damn PDF file, those are the Brainwashed Lemmings that Adam Green of Know More News told you about,

and those people are completely brainwashed and are simply toxic people and a lost cause, as those people I was told by others were clowns and not to engage with them, to plead the fifth, to say no, to not talk to at all, and that is from other opinions from the outside world from recording them and adding David Dee illustration cartoons with the Audio files, now for this we have exposed herein these questionable people who we call the brainwashed lemmings or GOYIM ... ;

You gotta memorize these thing if you have brain damage from Psychiatric Drugs aka Anti Psychotics Meds ... ;
Minix or Microkernel has an Inferior BSD Liscense, and The GNU Liscense is Superior to the BSD clause, and Ext4 will always be better for data centers and servers, also NAS can be one to one with Read Only SSDS, then run Tune2fs -O ^read-only ssdext4, fdisk -l is easier to use than BSD, also sudo passwd root if you have not and close all of your ports, check with namp -Pn -O localhost, use Arco Arch Linux and ROFSEXT4SSDS as they are perfect, esp those Samsung Portable T7 SSDs it just works better than Flash Drives or Physical Hard Drives and Opticak will Detiorate over time if it is not on the right material, so get your s**t together, use Arco Arch, LUKS, BIOSPW, One Core, IME Turned Off, Deoogle your phone, Use ammo Cans and Faraday Bags, American Locks, Comb Picks, Netguard, Graphene OS, Alpine Linux, Purism OS, Pine OS, Puppy Linux, those are what works, sudo passwd root is a must do, nhswap, SMA0140fabaf4ff4466DNS2086722222214415150953674177709536, dexter as universal passwd if all ports are closed, then, 126711709536, 161803339314159, Alien Chars are better than One Time Pads and Veracrypt and Luks and AES 7z because no

Binary Instructions are ever used because Base Latin is used by the Romans to Control the Goyim or Non Jew Slaves of Earth. Also, 2535555555, NA, Null, Flush Your Meds, Universal Titles, Hello American National, only the Government Freemason HOS Can be sovereign, they just play that game on you when you act stupid and forget to plead the fifth, so Only Talmudic INTL Jews can own property, you are renting your property if you are a Non Jew ... ; 7831-circleplus-528-heart-963-Ether-432-scale-model-102694-Blue, A10A10-Red, AZ010SP*RANDOM3-One-Time-Pad-Half-A**ed ... ; RED LEDS are superior to Blue LEDS because they do the best job on BWR as AudioStrobe, ESP on Mood Lights, but W is Common Also, Eighty BPM or Eight Cycles is Our Planet Earth and it works ... ; Isochronic Tones DeltaDeltaDeltaLowTheta-All-Half, MynoiseDotNet Online Isochronic Tones DuckDuckGo-Startpage-Yandex-Do-It ... ; I'm T**ded, we all get that LOLCOW, Tism, it is what it is ... ; Spending hourse in this MK-Ultra CIA Program it is total Hell ... ; As a human Experimentee, there are these freaks and human traffickers, who all have a circumcision fetish, are known freemasons, drug dealers, pedophiles, human traffickers, they were exposed by Karly Noel Franz, Whitney Webb, Maria Farmer, Alfred Schaefer, Brian Ruhe, Ken O'keefe, Charles Guiliani, Know More News Adam Green, Eustess Mullins, Brother Nathanael, David Duke Jewish Supremacism, David Irving, Earnst Zundel, Katy Dylan Groves of Uncle Sam's Snuff Factory Mr Pickles Circus, all of this stuff has been exposed by those people so it is not new, at all, and Bitchute, Odysee, Ugetube, Rumble, flushyourmeds, GoyimTV, Archive, Altensored, Brandnewtube which ONEVSP, Peertube, Brighteon, all of those are better than YouTube and for no limits at all, leave your domain registrars and Hosts, for a Home Server, or Home Playstation Linux Server port 80443, and that is how you put an end to Internet Censorship once and for all ... ; I set my Dumb ASCII into Decimal and Hex and Base64 for common reference stuff ... ; Wireless is Garbage, Wired Everything, Ethernet, Switches not Routers, I still am forced by my handlers to use wireless by force they also force me to take poisonous anti psychotic medications and I am not allowed access to port forwarding of any kind because they refuse to give me the admin passwords for the internet, also living on social security as a failure dud LOLCOW Targeted Individual who gang stalked by the Freemasons in Sheriff's Departments, will die someday of health problems and also have stuff oozing out of my body, I believe when I die I will become a Telepathic Ghost that sees every segment of space time, as I was told this by another ghost and ten other ghosts, one of those ghosts also told me he died by suicide as well, as a societal reject, I do not believe Global Warming is man made, I do not believe in the masks or the Covid Vaccines, nothing new there, I am anonymous online, what they say about me is all made up, I have an expensive Sennheiser Headset, yet I am a cheap ba*t*rd on other things I have a Threee Thousand Dollar Printer Scanner and other expensive S***, I got all that s*** from working with other Talmudic Jews that is a secret that I will tell you, I've been to their freemasonic mansions with the red carpet where they do their

talmudic
satanic rituals, Jew only country clubs, Jew only schools that are the opposite of
Victors,
More than six travel passports, Trillions of dollars, Freemasons at the bottom of it aka
HOS,
Audiology has Freemasons who happen to be Talmudic, Zionist, or Jewish, they got lots of
money, if you work for them, you get free expensive s***, Optomology is the same way
also,
Those sexy wamen wearing glasses, that is all for marketing, who does that, Zionist

about
colloidal copper and Colloidal Sliver from 925 Sterling Silver Spoons then there is the
horse aspirin thing, institutions mentioned it, they showed slideshows of it when I was
in the groups in the institution, they had those ODT staffers Orally Disintegrating

I saw those disabled RWords with pencil thin legs, it was awful and depressing and
stuff,
I came across Electrical Engineers who were working in the CIA, random HR BS and stuff,
HRisajoke.7zip is a file that has AES Encrypted P**n JPEGs because HR really is JOKE ...
;
Zyrexakills.tar.gz was a popular file that many people downloaded, it had Eli Lilly
Documents as Raster and PDF Format, Some PS files, Some JP2s, Some Vectors, etc,
and STL SVG obviously, GIMPINKSCAPELIBRECADBLENDER, I've been on all of those terrible
Anti Psychotics, It screwed me up for good, I cannot say it more, it was what it was,
Hallucinations, Akathisia or Restless Leg Syndrome, Tardive Dyskenesia or Jaw Smacking,
IBS, Digestive Problems, Shock and Dissentary, Nausea, Dryness, Bloody Stool,
Hemmoroids,
Bad Skin, your skin will get ten times worse on medications of any kind, I was born with
that crap and had to be on UV lights at the hospital, So I was a Mistake to begin with,
My birth was botched, Natalism really was a bad idea in that sense, you see what Big
Pharma
does, Birth Defects, Candida, Staff, Sepsis, Yeast, Fungus, Broken Blood Vessels, Shock,
Dissentary, Problems with the Autonomic Nervous System cause no more Psychic Abilities,
Then all the other people stalk and harass via Remote Viewing as those people are our

are,
Steroids are Illegal and these Freemasons are All Responsible for Human and Drug

The WL = Freemasons, Sheriff's Dept, MK-ULTRA, COINTELPRO,
Monarch, Artichoke, Law Enforcement, Patriot Act, Sub-net Masking,
That is what the Watch-list is, When your on a Government WL,
you are Stalked and Harassed, Narcissist will be Passive Aggressive,
Scapegoat you all the time, Scapegoat you more if you have a mental
illness, when psychiatry is not a real science and neurology is,
So since there is a Smear Campaign on you, B-wall it, B-line it, plead
the fifth, say no, Be a Security Role Player, others on the list are
being used in Human Trafficking, if you are on the Government List
you are considered, a DUD, a Bottom-feeder, a LOLCOW, a Laughingstock,
The Scum of the Earth, Mentally Ill, a Drug Dealer, Substance Abuser,
any kind of thing on the list of bad things, debt, miss-managed funds,
all those things are used on you as a Smear Campaign as Narcissist have
something personal against you, your sheriff's Departments, Corrupt
Law Enforcement, not generalizing here, not all are bad and Freemasons,

But anyways the slang Term Gang Stalking has nothing to do with Gangs, it is Organized Stalking and Organized Harassment and goes to the target 247365, Directed Energy Weapons, Telepathy, Remote Viewing, Voice To Skull, all to destabilize or Zersetzung the Targeted Individual which is just a degrading term that no one should identify as, as most people will look at this as sever mental illness, because most people are brainwashed by TV, Movies, Hollywood, Sports, Music, Pop Culture and Six Companies ... ; So it is what it is, you are finished in this sort of way, if you are on the list which anyone can be on the list even the homeless, then you Are as an example the One-man in The Truman Show and it is what it is some drivel, Being on Social Security sets you up as a bigger burden to society just as being labeled mentally ill or Schizo-affective is another thing to go with it, and most people will scapegoat you anyways, just get used to it, ignore it, this only applies to people put on The Patriot Act Watch list or Zersetzung, The Lives of Others is a Example movie of this which you can download ... ; I'll just have to say, Not Accepted in Society, Societal Reject, Usurious, Contribute Nothing to society, my life has no purpose, waste of an existence, etc etc etc, then that is what they say all hours of the day via voice to skull technology and I'm not even sure if Humans become ghosts when they die, so this kind of Voice To Skull Technology can trick anyone into believing anything. Sheriff's Departments, Freemasons, Government, Law Enforcement are clearly the Perpetrators of Steroid Trafficking and Organized Stalking or by its slang term Gang Stalking which has nothing to do with Gangs is mainly Group Stalking. --Scott A. people homeless, Psychiatry is Quackery, not a real science, it is a Pseudoscience Industry to sell Placebo Big Pharma Pills that have no science to them only opinions based on the DSM Committee and that is all, Freemasons Run Society, along with Talmudic Zionist Jews, Eustess Mullins, David Duke, Earnst Zundel, Brother Nathanael all have shown this and Adam Green of Know More News showed us Christianity is just another form of Jewish Zionism and a Mind Control cult so not new, and I am a Failure at everything and life a dud who gave up on the American Dream just to be put on a Patriot Act WL and be Stalked and Harassed by Freemasons in Sheriff's Departments and Law Enforcement, not only do they control The Press and Internet, They censor people by targeting them, they use something called Remote Viewing to Target, Stalk and Harass you, these people are all Freemasons in the Sheriff's Department and Law Enforcement, they do all the Human Trafficking and Smear Campains as well as the drug trafficking, so it is nothing new, Goyim are Cattle, they have no rights, no freedoms, we made those up and George Carlin-Bill Hicks were right, also Where is your freedom of Speech when you cannot deny the holocaust or criticize International Talmudic Jews or Israel, or Zionism, also where is your Fourth Amendment when Government people will break and enter into your home or parents home if your a failure, so you have no privacy, not only that there is mp4 after mp4 of authorities stealing property, vandalism by authorities, killing pets, all kinds of nefarious things done by corrupt law enforcement and there are mp4 files of it all on peoples solid state drives, Clouds on the internet, Bitchute, Odysee, Rumble, Archive, Altcensored, Ugetube, Peoples Playstation Servers also have the evidence of Law Enforcement illegally breaking entering vandalizing other Goyims Property and it has all been exposed, so it is not new, George Washington was only there to overflow the Organic Constitution of the United States and Re Instate the Virginia Colony Crown Corporation and he was merely a Politician, you brainwashed lemmings accept Global Warming and the Holocaust Myth and the God Myth shows how brainwashed you peeps actually are And when Humans Die they just become telepathic Ghosts so none of this is new period, I will continue on, King James, The Act of 1871, Cestui Que Vie of 1666 AD, all of you BW Lemmings were raised by the Failed Public School System you and your mommy daddy issues shows it so much so, you're like any othe LOLCOW with Autism I know, and you know what, I have file after file on all of you people so have them, AND you c**k slinging D*ngs on the CSMF S**t List are there to be exposed because this is the only way to counter the COINTELPROMKULTRACIAMOSSAD FBI by the Martians and International Talmudic Trillionaire Globalist Jewish People who have Six Travel Passports The real Globalists must have more than Two Passports in order Globalists. It's just that simple, connect the dots, Jew Only Country Clubs, Columbus Ohio is the big MKULTRA CIA zone, how do we get this in Central Texas Underground we have Uncle Sam's Snuff Factory and Mr. Pickles Circus Katy Dylan Groves Karly Noel Franz you see all these people exposed it, Rabbi Finklestein Tells All, James Wickstorm, then the Whitney Webb Interview with Maria Farmer, all this stuff now is archived to server after server then someone elses Playstation Home Server as Registrars are not fair and Domain Hosts are just not Fair so we know a Home Server is Ten Times Better, so is I2P, Tor, Peer To Peer, all ways to evade Zionist Talmudic Jew Censorship, everyone

now uses Arco Arch Linux, LUKS Drive Encryption, Tune2fs -O ^read-only ssdext4, NSW, BIOSPW, passwd root-user, so nothing is better than Open Source Software Period, and you script kiddies were blocked to begin with, because you were trolls to the TI Community we do not need useless Script Kiddie S***, no hanging, chilling, spoiling here, ever on the planet earth a spec in the milky way galaxy that means jack S*** ... ; ASCII will be the new format, forget Documents those have lame unoriginal exploits, and Emails will only be used for business inquiries only no bs here, no nice guy here, and we know if someone dares to spoil hang or chill by using the word frugal we will rip them a new asshole and destroy them to the tenth degree, Narcissitic kind of way, Women, lets see Natalism is not the answer, more men than women so you are in HELL in Purgatory to suffer immense pain and stress and humility as you are torture non stop in the lake of fire and Christ will not save you that is just a Jewish Tool that rabbi Finklestein said was for suckers as Martians started the God Myth to control you idiot. Psychiatric Drugs called Anti Psychotics, what a Mess I am, oh well, thanks psychiatry,
it works,

WEBP is unsafe,
so with that I only use Gimp, Photoshop, Inkscape, Blender, My Web Browser,

So I am bound to end up in hell, the lake of fire, but for one thing, America and Europe
have completely
different people, completely different afterlives, Women only want to be with a
circumcised male in USA,
you see I committed a thought crime right there, and the EU places do not have
compunctions, but now,
America is more Anti White so whites in general male or female are being persecuted like
jesus as you
may know, get good security if you have to, this is MR AI Man or Mrfaildeveloper as you
know me,
I remember ebaumsworld and motherless back in the 90's and JibJab when the internet was
256K and 56K,
and you know what, we were building, soldering, welding, more before this patriot act WL
thing and
people were not all fat and shit, food was healthy and had real actual probiotics in it,
now the crap
is all grown on round up ready seeds if you just ask the amish about it, it is all
designed to kill you,
so Fermented Foods, Probiotics, Snake Juice, Snake Diet, Fasting, those things we do not
practice anymore,
we use computers instead and kill ourselves with this eugenics technology, no everything
requires A Degoogled
Hopefully Degoogled Andriod Cell Phone just to get on your bank to do 2FA to get into
email and use things,
and we used to do all the banking and billings the old school way with Imp's hooked up
to mainfraimes forget
subnet masking, the peeps did not want that, we later on started that, then came 911,

the patriot act, Technocracy
then arose from the pits of hell with new IEEE Technologies and implementation of subnet
masking as you know only
a tool to enslave mankind further and further into philosophical debt, you know who is
exempt from forced 2fa,
the Zionist Talmudic Jews, if they loose a phone they have no problem with email or the
bank because they are
better than the non jews on planet earth, they have six travel passports, get to eat at
jew only country clubs,
live in big mansions with trillions of dollars, it is not Antisemitic to say that
Trillionaires with Six Passports
who live in big mansions run Planet Earth along with the martians, they just want to
play victim like the cry baby
Cohen SJWs that they are, not all jews are bad, just the trillionaires with six travel
passports living in big
mansions with more assets than any other person on Earth, as George Carlin just refers
to them as the RICH or
you could also call these Trillionaires or Talmudic Jews or peeps with six passports you
could call them BIG
wealthy Business Interests aka GE, VIACOM, Time Warner, NewsCORP, CBS, Disney that is
who, and Martians are
their friends and some of them are martians with PSI psychic Telepathic ABilities so you
see it is Big wealthy
business Interests with Trillions of Dollars Talmudic Cohen Jews, not all jews are bad
and this is not to be
construed with the Hollywood Antisemites you see on Bitchute or whatever website not
those people but Trillionaires,
those are Big Wealthy Buisness Interests, Peeps with Six Travel Passports, Jew Only
Country Clubs, those are the
main people pushing the Zionist agenda, many other jews with less money oppose Zionism
and Talmudic Rule and are
mainly Atheists or Christians, so generalizing is simply a bad idea of bad optics, The
Globalists are what Trillianaires,
More than six passports, Jew Only Country Clubs, International Talmudic Kohen Martian
Jews, Private Islands, Big Huge,
Mansions, never get power outages becuase using the right stuff, Have property rights
when others do not, and when a
Government calls someone a soverign citizen that is just another game that they play,
only Governments can be Soverign,
you see in order for a globalist to be globalist more than Two Passports, Trillianaire,
Business Interests, Property
Rights when everyone else has Property Priveleges, Talmudic International Cohen Jew, and

First we have the Holocaust Denial Being Illegal in
Sixteen Different Countries, Then We also have anyone
who is Anti Israel or Anti Zionist to be Arrested and or

Targeted By Their Own Federal Government Freemasons ... ;
Not only is Gang Stalking a Freemason Government Sheriff's
Department Phenomenon it is a Zionist Israeli Phenomenon,
Proponents of Anti Israel and Anti Zionism are clearly Targeted
in our society by Gang Stalking or Organized Stalking same
applies to Holocaust Deniers, they may also end up targeted
by The Freemasons and Sheriff's Departments, then you have
Whistleblowers RITE AID does not Recycle Types or anything
exposing the Fraud of Big Pharma John Virapen, again this is
not new, then 911 Truthers saying The Mossad Sunk the USS
Liberty and did 911, then you have your David Irvings,
Eustess Mullins, David Dukes, Alfred Shaefer, Brother
Nathanaels, Adam Green of Know More News these are very
much Targeted by our Government Zionist Mafia System ... ;
There are new Noahide Laws, New BDS Laws, BDSmovement,
then they started on VC Sympathizers now they your Freemason
Government Mafia goes after Anti Zionists and Anti Israeli
Proponents, we have all heard that Radical Zionist Jews were
the first to open America's Borders and bring illegals in,
we have all heard that Communism is Jewish and Marx was a Jew,
and that Hitler actually got Germany out of a Bank Debt and
saved Western Europe from Communism, something much worse
started by Marx and other Radical Communists, your Schools
fed you the Victor Version of History, then when you moved
to adulthood you realized you were lied to by Six Jewish
Media Companies GE, VIACOM, Time Warner, Newscorp, CBS, Disney,

real truth that The Victor History is all lies, you have Earnst

It is an Anti White Agenda, it is about Perversion, Degeneracy,

dare mention it you are a Bigot, that is their only choice of words
if you say it is an Anti White Agenda you get called Bigot as they
are Liberal C*mmies aka Democrats who believe Climate Change And
Global Warming is Man Made, I am not partisan and an Atheist so I
the rarefied company actually get it, Nirvgorilla even kept telling
me that Global Warming and Climate Change was Man Made and not a
Hoax so I came to the Conclusion he was a crybaby, SJW, C*mmie,
AntiFA, BLM, Democrat, Liberal, Climate Change Greenie and someone
who I will ignore, and again I am Anti Israel, Anti Zionist and I
Never Said I was partisan left or right and I am an Atheist Period.

they are Narcissists, Pests, Brainwashed Lemmings, Jocks, Idiots,

that They agree with and that is all they do, it is talking points, that is all it is, Both Democrats Republicans are a Zionist Waste of time Started by International Jews to dupe you for more votes ... ; There is no Crisis with Israel or Palestine, F*** Israel, Israel AND Palestine are Cursed, the News is a PSYOP, they have been fighting over that land for thousands of years, Zionism is a useless idea also, Judaism is a dumb Globalist Cult, Cohens are the One Percent, they have Six Travel Passports, Jew Only Country Clubs, Big Mansions in parts of the world, we all get it by now, the Holocaust is a Hoax, Hitler was right, Hitler Saved Germany From Communism and got it out of a Banking debt, Germany was turned to a Power House by Hitler, your history is fake and all lies, America is a French Corporation British Crown Colony and your Public Schools are only there to indoctrinate you with cr*p and BS, so were are we even going with this, your Religions are a Zionist Jew Control Cult by International Talmudic Jews, Not all Jews are bad, just that one percent called the Globalists who read this book called the Talmud, Torah, Zohar, those people have all the money in Trillions of Dollars, called Cohens, who live in big Mansions, have More than Seven Travel Passports, are completely different than us and run the Freemasons at the Bottom of the Pyramid who are our Law Enforcement, Freemasons, Police, Sheriff's Departments who take and steal from the Non Jew or Goyim, they steal thousands from us non Jews, they tell the Freemasons to steal from the US Citizens who will protest by saying I am an American National or whatever when only they the Globalists and Freemasons can actually be sovereign since the Globalists are the Jewish People with Six Travel Passports only here to say International Jews not Regular Middle Class and Poor Jews, just those Talmudic Globalists, the one percent, that is who, and they take and take, Freemason Police steal from the Goyim and get away with it every time so the only sovereign citizen is a COP or an International Jew aka Talmudic Jew living in a Big Mansion with Trillions of Dollars and those people only are one percent of society on Earth, they tell the Freemasons what to do through this thing called Uniform Commercial Code of the Government and it takes and steals land and property from Non Jews or Goyim not only that it takes and steals from Jews and Non Jews so as to say the only people exempt are Cohen Talmudic Jews who have Six Passports Trillions of Dollars, Country Clubbers who go to Jew Only Country Clubs and live in Big Mansions, we are talking Trillions of Dollars not some billionaire, billionaires are middle managers. Your slave drivers are Trillionaires and Talmudic Jews who use Bold Despotism we refer to those Jews as International Jews, The Anti Semitic Trope does not apply when you are only referring to people with Trillions of dollars who live in Big Mansions as Talmudic Cohen Jews, that is my main point I am trying to convey in this drivel ... ; How is Anti Zionism even Antisemitism when other Jews do not want Zionism? Also? As for religions, they are cults, a waste of time, another Zionist Tool of the Cohens, God is not real, Martians Started the God Myth, Humans Become Ghosts when they die, and also it is so much to say that we have wasted a lot of time here on non issues ... ; BTW I Use Arch Linux LUKS Drive Encryption BIOS PW as Single Word DEXTER, NO HIB Swap, Browsers I use are still Firefox and Brave, Everyone uses Ublock Origin, PrivacyB, Decentraleyes, HTTPSE, CanvasB, RYTD, and all of those, then 2086722222, then 0140, as the SMA we have f0fab44f4665a ... ; Then I leave the Cell Phone in a Faraday Bag locked with an alphanumeric PW, and Netguard, Degoogled, Features all off, power save
